

What surprised you?
 the most important
 thing you learned?
 How can you use
 this information in
 your life?

My Reflections

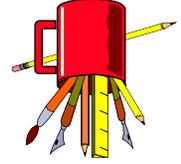

Give the page number of
 your favorite part. Write
 a brief description of this
 part of the book and tell
 why you liked it.

My Favorite Part

List questions to discuss
 with a partner or group.
 Try to create questions
 that you will enjoy
 discussing. It's okay
 if you don't know the
 answers to your
 questions.

My Questions

List the main ideas or
 main points you believe
 the author was trying to
 make. Think about the
 most important ideas
 and state them in your
 own words.

Main Ideas

Nonfiction Discussion Foldable
